

- ___ Be Mobile Wellness requires a 3 hour minimum per visit. (Please view pricing details on website)
- ___ Each business will receive a monthly invoice showing the hours/days off.
- ___ Checks can be made out to Be Mobile Wellness
- ___ If some of your employees become ill or have any sign of a cold, we ask that those individuals not be placed on the Massage list. We do our best to stay healthy to continue offering our services with no interruptions. Thank-you in advance! Massage can make a cold worse, and move the virus/infection to other parts of the body. It is best to rest, drink lots of water or Hot water with lemon.
- ___ Close parking is required so that the therapist can carry their equipment to your business, or the therapist can store the table at your location.
- ___ Space requires the therapist to set up the table and have about 2-3 comfortable feet around the table. This is essential in order for the therapist to be as effective as possible. Please move any furniture in the area the therapist will be setting the table up prior to the session so they are able to set up and break down and stay on schedule.

Most of you have plenty of room for the therapist to provide you with the consistent sessions you are used to. This is very much appreciated.
- ___ Punctuality is something that Be Mobile Wellness strives for. Each therapist will be punctual when they arrive at your location, begin the session, and end the session. The therapist will usually arrive 10-15 minutes prior to set up. Also please have the area ready for the Therapist to set up.
- ___ On days when the weather is rainy and uncooperative Be Mobile Wellness will ask that you allow 10-15 minute window after your start time for your therapist to arrive. This rarely occurs, but on those particular times Be Mobile Wellness asks that there be some flexibility with a Rainy Day Schedule.
- ___ If employees miss their allotted time slot the Therapist still gets paid due to the 3 hour minimum. Some companies use calendar invites which allow reminders to be sent to the employee.
- ___ Cancellation Policy requires 24 hour advance notice or sooner. (text are fine 24/7)
- ___ Contracts will include: Start date, Duration, Payment

Thank you for your business!
